

Columbus was an explorer.
He lived many years ago.

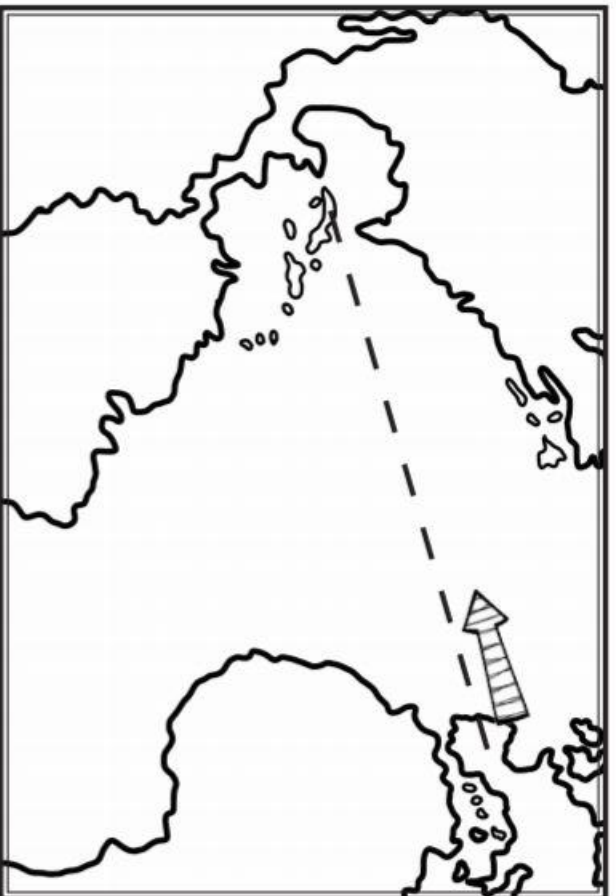

He said, "The world is round, I
can sail to new lands!"

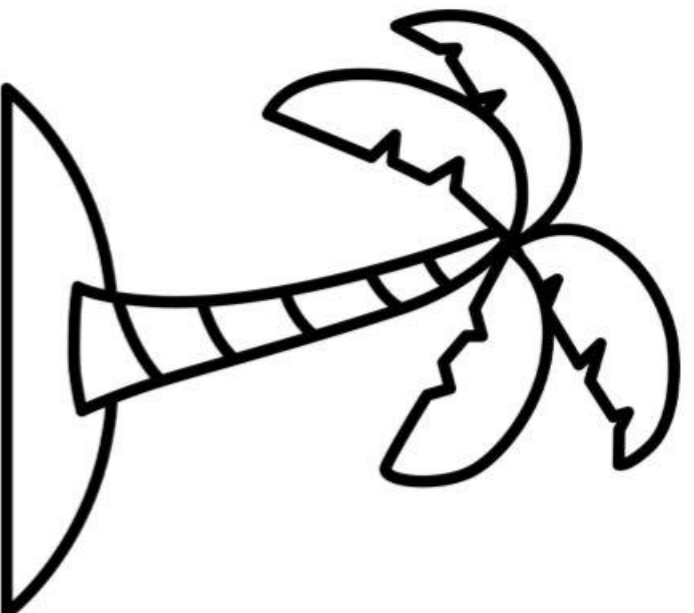

He asked the King and Queen
of Spain for money.

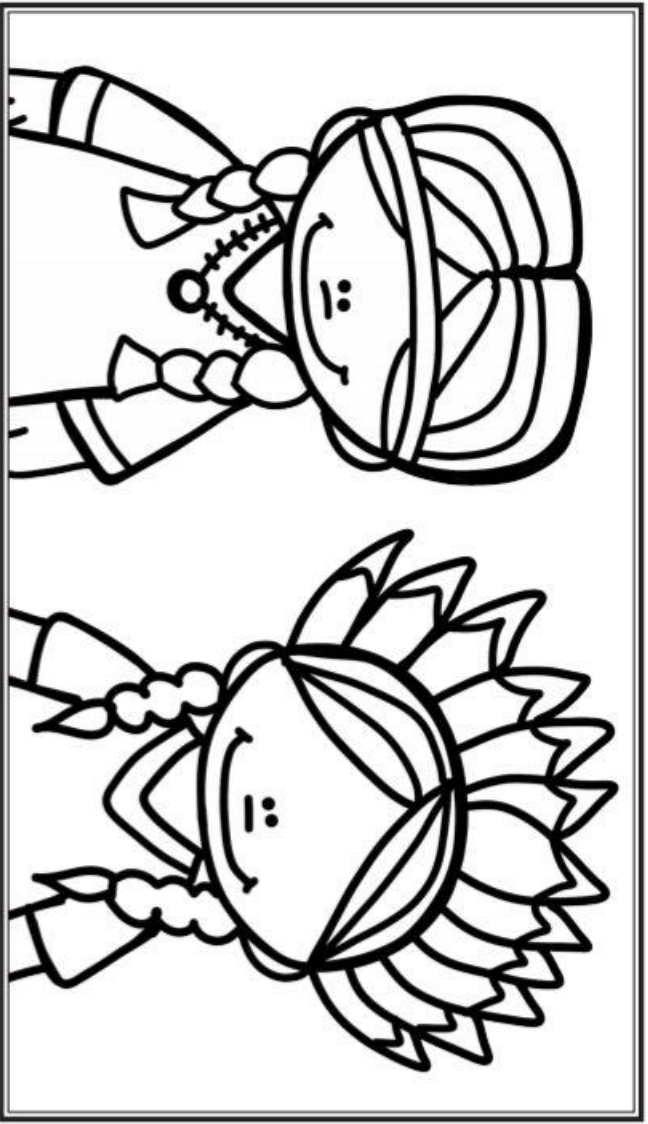

They gave him gold to buy the Nina,
the Pinta, and the Santa Maria.

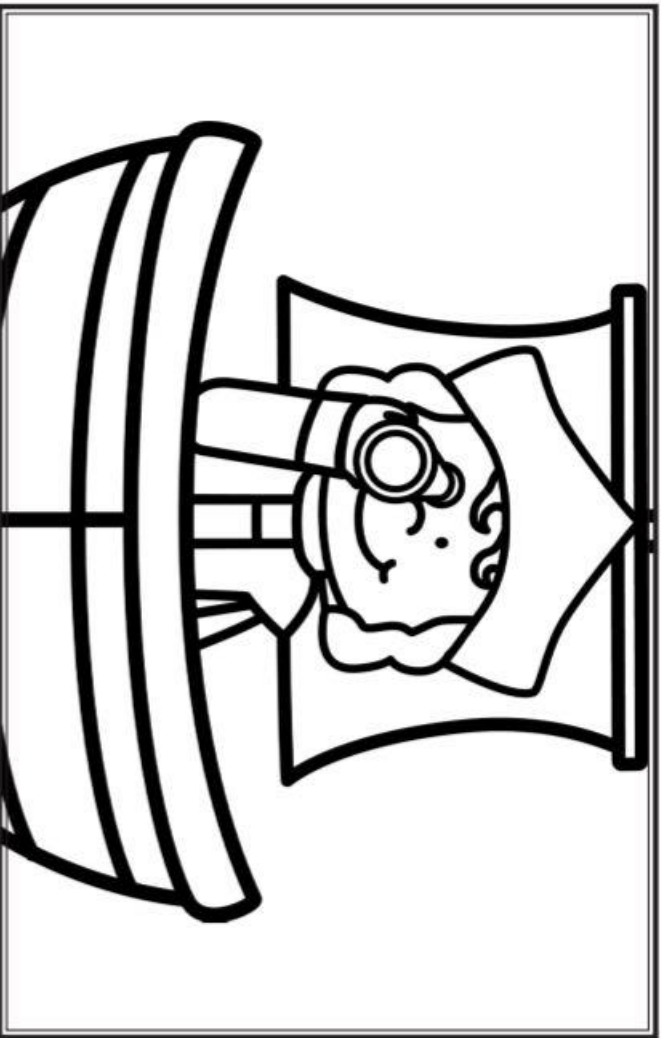

He sailed WEST for 71 days
across the Atlantic Ocean.

He saw an island in the
Bahamas! Hooray!

He met new friends and called
them Indians.

Columbus sailed back to
Spain. He was famous!
